## Objective,

I am a talented and knowledgable designer who has been passionate about both design and development from the young age of 11. I am excited to showcase to you why I am so confident in this field and why I would be the perfect fit for your team.

## Work Experience,

**Freelance,** Web Development & Design

April 2020 – Present | Oshawa, Ontario
During my studies in College along with learning during my freetime I was able to start to do freelance work for smaller companies throughout 2020–2021.

**RealtyShop.ca,** UX/UI Design Associate

April 2021 – May 2021 | Toronto, Ontario
At the end of my program at Durham College, I teamed up with RealtyShop.ca for my internship. I learned a lot about working in the industry here and excelled. I got the opportunity to work with real clients in the real estate industry.

**ANML Apparel,** CEO & Designer

March 2018 – February 2020 | Oshawa, Ontario
Finding new ways to explore my creativity and continue to develop my skills is important. With this company I was able to manage everything from the design, photography and videography, to actually managing the business and funding it.

**Swiss Chalet,** Dish Washer & Line Cook

October 2017 – November 2019 | Oshawa, Ontario
As a teenager I worked at various restaurants part time. This fast pace work enviroment that had no room for error helped mold the work ethic I carry today. I am very calm and organized no matter the situation ensuring that I can get everything done.

## Education,
